5 (30 ILCS 559/20-15)

6 Sec. 20-15. Illinois Works Preapprenticeship Program;
7 Illinois Works Bid Credit Program.

8 (a) The Illinois Works Preapprenticeship Program is
9 established and shall be administered by the Department. The
10 goal of the Illinois Works Preapprenticeship Program is to
11 create a network of community-based organizations throughout
12 the State that will recruit, prescreen, and provide
13 preapprenticeship skills training, for which participants may
14 attend free of charge and receive a stipend, to create a
15 qualified, diverse pipeline of workers who are prepared for
16 careers in the construction and building trades. Upon
17 completion of the Illinois Works Preapprenticeship Program,
18 the candidates will be skilled and work-ready.

19 (b) There is created the Illinois Works Fund, a special
20 fund in the State treasury. The Illinois Works Fund shall be
21 administered by the Department. The Illinois Works Fund shall
22 be used to provide funding for community-based organizations
23 throughout the State. Such funding shall be categorized as
24 follows: (i) funding for projects in Illinois Department of
25 Transportation Region 1; (ii) funding for projects in Illinois

1 Department of Transportation Regions 2 and 3; and (iii)
2 funding for projects in Illinois Department of Transportation
3 Regions 4 and 5. In addition to any other transfers that may be
4 provided for by law, on and after July 1, 2019 at the direction
5 of the Director of the Governor's Office of Management and
6 Budget, the State Comptroller shall direct and the State
7 Treasurer shall transfer amounts not exceeding a total of
8 \$50,000,000 from the Rebuild Illinois Projects Fund to the
9 Illinois Works Fund.

10 (b-5) In addition to any other transfers that may be
11 provided for by law, beginning July 1, 2024 and each July 1
12 thereafter, or as soon thereafter as practical, the State
13 Comptroller shall direct and the State Treasurer shall
14 transfer \$20,000,000 from the Capital Projects Fund to the
15 Illinois Works Fund.

16 (c) Each community-based organization that receives
17 funding from the Illinois Works Fund shall provide an annual
18 report to the Illinois Works Review Panel by April 1 of each
19 calendar year. The annual report shall include the following
20 information:

21 (1) a description of the community-based
22 organization's recruitment, screening, and training
23 efforts;

24 (2) the number of individuals who apply to,
25 participate in, and complete the community-based
26 organization's program, broken down by race, gender, age,

1 and veteran status; and

2 (3) the number of the individuals referenced in item (2)
3 of this subsection who are initially accepted and placed
4 into apprenticeship programs in the construction and
5 building trades.

6 (d) The Department shall create and administer the
7 Illinois Works Bid Credit Program that shall provide economic
8 incentives, through bid credits, to encourage contractors and
9 subcontractors to provide contracting and employment
10 opportunities to historically underrepresented populations in
11 the construction industry.

12 The Illinois Works Bid Credit Program shall allow
13 contractors and subcontractors to earn bid credits for use
14 toward future bids for public works projects contracted by the
15 State or an agency of the State in order to increase the
16 chances that the contractor and the subcontractors will be
17 selected.

18 Contractors or subcontractors may be eligible to earn bid
19 credits for employing apprentices who have completed the
20 Illinois Works Preapprenticeship Program. Contractors or
21 subcontractors shall earn bid credits at a rate established by
22 the Department and based on labor hours worked by apprentices
23 who have completed the Illinois Works Preapprenticeship
24 Program. In order to earn bid credits, contractors and
25 subcontractors shall provide the Department with certified
26 payroll documenting the hours performed by apprentices who

1 have completed the Illinois Works Preapprenticeship Program.
2 Contractors and subcontractors can use bid credits toward
3 future bids for public works projects contracted or funded by
4 the State or an agency of the State in order to increase the
5 likelihood of being selected as the contractor for the public
6 works project toward which they have applied the bid credit.
7 The Department shall establish the rate by rule and shall
8 publish it on the Department's website. The rule may include
9 maximum bid credits allowed per contractor, per subcontractor,
10 per apprentice, per bid, or per year.

11 The Illinois Works Credit Bank is hereby created and shall
12 be administered by the Department. The Illinois Works Credit
13 Bank shall track the bid credits.

14 A contractor or subcontractor who has been awarded bid
15 credits under any other State program for employing
16 apprentices who have completed the Illinois Works
17 Preapprenticeship Program is not eligible to receive bid
18 credits under the Illinois Works Bid Credit Program relating
19 to the same contract.

20 The Department shall report to the Illinois Works Review
21 Panel the following: (i) the number of bid credits awarded by
22 the Department; (ii) the number of bid credits submitted by
23 the contractor or subcontractor to the agency administering
24 the public works contract; and (iii) the number of bid credits
25 accepted by the agency for such contract. Any agency that
26 awards bid credits pursuant to the Illinois Works Credit Bank

1 Program shall report to the Department the number of bid
2 credits it accepted for the public works contract.

3 Upon a finding that a contractor or subcontractor has
4 reported falsified records to the Department in order to
5 fraudulently obtain bid credits, the Department may bar the
6 contractor or subcontractor from participating in the Illinois
7 Works Bid Credit Program and may suspend the contractor or
8 subcontractor from bidding on or participating in any public
9 works project. False or fraudulent claims for payment relating
10 to false bid credits may be subject to damages and penalties
11 under applicable law.

12 (e) Subject to approval of the Department, community-based
13 organizations may be authorized to provide high school-based
14 preapprenticeship programming, which may include participants
15 under the age of 18 and be subject to preapprenticeship
16 program completion requirements consistent with the
17 participant's school year and related attendance.

18 (f) ~~(e)~~ The Department shall adopt any rules deemed
19 necessary to implement this Section. In order to provide for
20 the expeditious and timely implementation of this Act, the
21 Department may adopt emergency rules. The adoption of
22 emergency rules authorized by this subsection is deemed to be
23 necessary for the public interest, safety, and welfare.

2 Sec. 20-20. Illinois Works Apprenticeship Initiative.

3 (a) The Illinois Works Apprenticeship Initiative is
4 established and shall be administered by the Department.

5 (1) Subject to the exceptions set forth in subsection
6 (b) of this Section, apprentices shall be utilized on all
7 public works projects estimated to cost \$500,000 or more
8 in accordance with this subsection (a).

9 (2) For public works projects estimated to cost
10 \$500,000 or more, the goal of the Illinois Works
11 Apprenticeship Initiative is that apprentices will perform
12 either 10% of the total labor hours actually worked in
13 each prevailing wage classification or 10% of the
14 estimated labor hours in each prevailing wage
15 classification, whichever is less. For contracts and grant
16 agreements executed after the effective date of this
17 amendatory Act of the 103rd General Assembly and before
18 January 1, 2024, of this goal, at least 25% of the labor
19 hours of each prevailing wage classification performed by
20 apprentices shall be performed by graduates of the
21 Illinois Works Preapprenticeship Program, the Illinois
22 Climate Works Preapprenticeship Program, or the Highway
23 Construction Careers Training Program. For contracts and
24 grant agreements executed on or after January 1, 2024, of
25 this goal, at least 50% of the labor hours of each
26 prevailing wage classification performed by apprentices

1 shall be performed by graduates of the Illinois Works
2 Preapprenticeship Program, the Illinois Climate Works
3 Preapprenticeship Program, or the Highway Construction
4 Careers Training Program.

5 (b) Before or during the term of a contract subject to this
6 Section, the Department may reduce or waive the goals set
7 forth in paragraph (2) of subsection (a). Prior to the
8 Department granting a request for a reduction or waiver, the
9 Department shall determine, in its discretion, whether to hold
10 a public hearing on the request. In determining whether to
11 hold a public hearing, the Department may consider factors,
12 including the scale of the project and whether the contractor
13 or subcontractor seeking the reduction or waiver has
14 previously requested reductions or waivers on other projects.
15 The Department may also consult with the Business Enterprise
16 Council under the Business Enterprise for Minorities, Women,
17 and Persons with Disabilities Act and the Chief Procurement
18 Officer of the agency administering the public works contract.
19 The Department may grant a reduction or waiver upon a
20 determination that:

21 (1) the contractor or subcontractor has demonstrated
22 that insufficient apprentices are available;

23 (2) the reasonable and necessary requirements of the
24 contract do not allow the goal to be met;

25 (3) there is a disproportionately high ratio of
26 material costs to labor hours that makes meeting the goal

1 infeasible;

2 (4) apprentice labor hour goals conflict with existing
3 requirements, including federal requirements, in
4 connection with the public work; or

5 (5) the contractor or subcontractor has demonstrated
6 that insufficient graduates of the Illinois Works
7 Preapprenticeship Program are available to meet the
8 requirements of paragraph (2) of subsection (a).

9 (c) Contractors and subcontractors must submit a
10 certification to the Department and the agency that is
11 administering the contract, or the grant agreement funding the
12 contract, demonstrating that the contractor or subcontractor
13 has:

14 (1) met the apprentice labor hour goals set forth in
15 paragraph (2) of subsection (a);

16 (2) received a reduction or waiver pursuant to
17 subsection (b); or

18 (3) not complied with the labor hour goals in
19 paragraph (2) of subsection (a) and did not receive a
20 reduction or waiver pursuant to subsection (b).

21 It shall be deemed to be a material breach of the contract,
22 or the grant agreement funding the contract, and entitle the
23 State to declare a default, terminate the contract or grant
24 agreement funding it, and exercise those remedies provided for
25 in the contract, at law, or in equity if the contractor or
26 subcontractor fails to submit the certification required in

1 this subsection or submits false or misleading information.

2 Intentional failure to comply with the Illinois Works
3 Apprenticeship Initiative may result in the State agency that
4 contracted or funded the public works project: (i) terminating
5 the contract or agreement involved, (ii) prohibiting the party
6 that contracted with the State from participating in public
7 contracts or agreements for a period not to exceed 3 years,
8 (iii) seeking a penalty of up to 25% of the contract or
9 agreement as a result of the violation, or (iv) any
10 combination of items (i) through (iii). State agencies shall
11 report to the Department all projects that did not comply with
12 the Illinois Works Apprenticeship Initiative and any action
13 taken against the noncompliant party and shall provide an
14 action plan to address the reported instance of noncompliance
15 with the Illinois Works Apprenticeship Initiative.

16 (d) No later than one year after the effective date of this
17 Act, and by April 1 of every calendar year thereafter, the
18 Department of Labor shall submit a report to the Illinois
19 Works Review Panel regarding the use of apprentices under the
20 Illinois Works Apprenticeship Initiative for public works
21 projects. To the extent it is available, the report shall
22 include the following information:

23 (1) the total number of labor hours on each project
24 and the percentage of labor hours actually worked by
25 apprentices on each public works project;

26 (2) the number of apprentices used in each public

1 works project, broken down by trade; and

2 (3) the number and percentage of minorities, women,
3 and veterans utilized as apprentices on each public works
4 project.

5 (e) The Department shall adopt any rules deemed necessary
6 to implement the Illinois Works Apprenticeship Initiative. In
7 order to provide for the expeditious and timely implementation
8 of this Act, the Department may adopt emergency rules. The
9 adoption of emergency rules authorized by this subsection is
10 deemed to be necessary for the public interest, safety, and
11 welfare.

12 (f) The Illinois Works Apprenticeship Initiative shall not
13 interfere with any contracts or grants in existence on the
14 effective date of this Act.

15 (g) Notwithstanding any provisions to the contrary in this
16 Act, any State agency that administers a construction program
17 for which federal law or regulations establish standards and
18 procedures for the utilization of apprentices may implement
19 the Illinois Works Apprenticeship Initiative using the federal
20 standards and procedures for the establishment of goals and
21 utilization procedures for the State-funded, as well as the
22 federally assisted, portions of the program. In such cases,
23 these goals shall not exceed those established pursuant to the
24 relevant federal statutes or regulations.

25 (h) The Department shall maintain a list of graduates of
26 the Illinois Works Preapprenticeship Program for a period of

1 not less than one year after the participant graduates from
2 the Program. The list shall include the name, address, county
3 of residence, phone number, email address, and the
4 self-attested construction and building trade career path
5 preferences of each graduate. This list shall be made
6 available to any contractor or subcontractor, as well as any
7 apprenticeship program approved by and registered with the
8 United States Department of Labor's Bureau of Apprenticeship
9 and Training in alignment with the graduate's self-attested
10 construction and building trade career path preferences.
11 Subject to approval of the Department, community-based
12 organizations may be authorized to provide services pursuant
13 to this subsection (h) of Section 20-20 of this Act.
